Dear Sir

## **The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2013**

**Proposal:** Rear extension of the following dimensions:  
(i) Extending 3.6 metres beyond the original rear wall  
(ii) A maximum height of 3.7 metres  
(iii) An eaves height of 2.6 metres

**Location:** 99 Ashley Road, South Shields, NE34 0PQ

On 13 March 2015 South Tyneside Council as Local Planning Authority determined that **PRIOR APPROVAL OF THE AUTHORITY IS NOT REQUIRED** for the proposed extension beyond the rear wall of the original dwellinghouse.

Please note that the proposed rear extension is only PD (Permitted Development) subject to the following conditions:

- Materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
- The development shall be completed on or before by 30<sup>th</sup> May 2016. The developer shall notify the local planning authority in writing of the completion of the development as soon as reasonably practicable after completion, including:
  - a) the name of the developer;
  - b) the address or location of the development, and
  - c) the date of completion.

The Council's determination that prior approval is not required for this proposal is based on the understanding that the proposal does not exceed the limitations of paragraph A1 of Class A of Part 1 of the Schedule to The Town and Country Planning (General Permitted Development) Order 1995 (as amended) (which is reproduced on the back of this letter). While the Council has made checks of the information submitted with the notification, this letter is not to be taken to certify that the proposal does not exceed those limitations.

Yours faithfully,
