(England) Order 2015

Application No: ST/0283/15/HFUL
Date of Issue: 20/05/2015

In pursuance of their powers under the above mentioned Acts, South Tyneside Council as Local Planning Authority **REFUSE** planning permission for the following development:

PROPOSAL: Proposed demolition of existing side garage/store and rear off-shots, and proposed construction of side extensions including new front bay window. Proposed new roof to dwelling to provide additional accommodation in roof space, including raising dwelling ridge height, the construction of 3 no. front dormers, 3no. rear dormers and rooflights, and re-positioning a chimney. Proposed block paving to front.

LOCATION: 7 Marsden Road, Cleadon, SR6 7RA

In accordance with your application dated 25 March 2015

REASON(S) FOR REFUSAL:

- 1 The proposal by virtue of its excessive scale, massing, prominence and general unsympathetic appearance would be harmful to the visual amenity of the application dwelling and the Marsden Road street scene, and would have a detrimental impact upon the special character and appearance of this part of the Cleadon Conservation Area. As such it would not accord with South Tyneside Local Development Framework (LDF) Development Management Policies DM1 (criterion A) and DM6.
- 2 The proposal by virtue of its projection to the rear and raised roof would reduce the outlook from a side habitable room window of No. 9 Marsden Road, and would overshadow and have an overbearing visual impact upon this neighbouring window, to the detriment of the amenities enjoyed by the occupants of this neighbouring property. As such it would not accord with South Tyneside Local Development Framework (LDF) Development Management Policy DM1 (criterion B).
