

HADRIAN PRIMARY SCHOOL
BARING STREET
SOUTH SHIELDS

DESIGN AND ACCESS STATEMENT

Provision of ramped access.

(Planning application ref PP-04195334)

The provision of a new ramped access is to provide direct access into the main school entrance & general office areas of the school as there is limited alternative location access areas.

This new ramp will provide easier access to the school's main entrance area for disabled wheelchair users and elderly visitors.

The ramp is of simple design which briefly comprises of brick / concrete construction complete with handrails & is fully DDA compliant.
