Title <b>PROPOSED ACCESS RAMP TO HADRIAN PRIMARY SCHOOL SOUTH SHIELDS</b>		
Drawn KB	Scale 1:50@A3	Date 03.12.14
Drawing No.		<b>2769/003</b>

## PROPOSED SITE PLAN

Existing approach graded to new line and level to form ramped access.

1:18 RAMP

980mm high brick wall

GRASS

**IMPORTANT NOTE**  
 Safe digging practices to be adopted to identify location of any underground services, particularly in the near vicinity of the existing lamp post.

Form new ramped access between 980mm high brick walls to match existing approach path, handrails at 900mm and 600mm high from ramp surface, 75mm from face of wall.

Corduroy hazard warning surface at top and bottom of stairs 400mm from stair nosing.

Form new opening in existing brick wall to provide access onto new ramped approach.

1:20 RAMP

LANDING + 7.750

1:17 RAMP

Replace existing corduroy tactile strip with correct 800mm wide strip, 400mm from bottom of stairs.
