

- 6 SURVEY NOTES**
1. All survey data has been referenced to G.D. National DAT using the Active GPS Method.
 2. Dimensions shown are in metres unless indicated otherwise.
 3. Other survey data has been checked to ensure the accuracy of the drawing. Corrections and field notes shall be carried out prior to commencement of any work based on the information shown.
 4. Certain areas of the site may have been investigated by drone imagery. Implants on the site at the time of the survey. The location of all implants may be identified on the survey sheets.
 5. Where the boundary of a site has been shown this is based on actual fieldwork only. Where the boundary and location of services are indicated then additional survey work will be undertaken.
- | NO. | SYMBOL | DESCRIPTION | SCALE | MARKER | HEIGHT |
|-----|----------|-------------|-------|--------|--------|
| 1 | [Symbol] | MSL | 1:100 | S | 10.28 |
| 2 | [Symbol] | MSL | 1:100 | MSL | 10.28 |
