This plan shows those pipes owned by Transco PLC or the relevant Gas Distribution Network in their role as Licensed Gas Transporters (GT). Gas pipes owned by others (GTs or others) are shown in a different colour. This plan is given without warranty, the accuracy thereof cannot be guaranteed. Searches, valves, syphons, stub connections etc. are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Transco PLC or the relevant Gas Distribution Network, or their agents, servants or contractors for any error or omission. Searches, valves, syphons and other apparatus on site before any mechanical plant is used. It is your responsibility to ensure that this information is provided to all persons (with direct labour or contractors) working for you on or near the site of issue. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.
