12. Assessment of Flood Risk				
Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.) Yes No				
If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.				
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?				
Will the proposal increase the flood risk elsewhere? Yes No				
How will surface water be disposed of?				
Sustainable drainage system Main sewer Pond/lake				
Soakaway Existing watercourse				
13. Biodiversity and Geological Conservation				
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.				
Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:				
a) Protected and priority species				
Yes, on the development site Yes, on land adjacent to or near the proposed development No				
b) Designated sites, important habitats or other biodiversity features				
Yes, on the development site Yes, on land adjacent to or near the proposed development No				
c) Features of geological conservation importance				
Yes, on the development site Yes, on land adjacent to or near the proposed development No				
14. Existing Use				
14. Existing Use Please describe the current use of the site:				
14. Existing Use Please describe the current use of the site: Public House				
14. Existing Use Please describe the current use of the site: Public House Is the site currently vacant? Yes No				
14. Existing Use Please describe the current use of the site: Public House Is the site currently vacant? Yes No Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.				
14. Existing Use Please describe the current use of the site: Public House Is the site currently vacant? Yes No Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application. Land which is known to be contaminated? Yes No				
Please describe the current use of the site: Public House Is the site currently vacant?				
14. Existing Use Please describe the current use of the site: Public House Is the site currently vacant? Yes No Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application. Land which is known to be contaminated? Yes No

14. Existing Use Please describe the current use of the site: Public House Is the site currently vacant?				
Please describe the current use of the site: Public House Is the site currently vacant?				
Please describe the current use of the site: Public House Is the site currently vacant? Yes No Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application. Land which is known to be contaminated? Yes No Land where contamination is suspected for all or part of the site? Yes No A proposed use that would be particularly vulnerable to the presence of contamination? Yes No 15. Trees and Hedges Are there trees or hedges on the proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BSS837: Trees in relation to design, demolition and construction - Recommendations'.				
Please describe the current use of the site: Public House

24. Type of Proposed Advertisement(s)					
Please describe the proposed advertisement(s):					
New signage to replace existing to reflect the re branding of the public house					
How many of the following type of advertisements are you applying for?					
Fascia sign(s) 3 Projecting or hanging sign(s) 0 Hoarding(s) 0 Other 0					
25. Location of Advertisement(s)					
Is the advertisement(s) you are applying for already in place? Yes No					
Is an existing advertisement(s) to be removed and replaced by the advertisement(s) in this proposal? • Yes • No • Not Applicable					
If Yes to either or both above, please show the existing sign(s) on an elevation drawing or photograph and state the references for the drawing(s) or photograph(s).					
As indicatedon SL16 03 External Elevations Planning					
Will the proposed advertisement(s) project over a footpath or other public highway? Yes No					
26. Advertisement(s) Period					
Please state the period of time for which consent is sought for the advertisement					
From: 07/02/2016 To: 08/02/2021					
27. Interest in the Land					
Does the applicant own the land or buildings where the adverts are to be placed? Yes No					
28 (a). Details of Proposed Advertisement(s) - Fascia Sign					
What is the height from the ground to the base of the advertisement (in metres)?					
What is the maximum projection of the advertisement from face of building (in metres)?					
What are the dimensions of the proposed advertisement? Height: 0.400 x Width: 2.700 x Depth: 0.100 metres					
What materials will the sign be made of?					
White painted GRP What is the maximum height of any of the individual letters and symbols (in centimetres)? 40,000 cm					
What is the maximum height of any of the individual letters and symbols (in centimetres)? The colour of text and background: 40.000 cm					
White letters on light blue background					
Will the sign be illuminated? Yes No					
Will the sign be illuminated internally or externally? Internally Externally					
Illuminance Levels: 1000.000 cd/m					
Will the illumination be static or intermittent?					
The manifest of section of monimical in the section of the section					
28 (a). Details of Proposed Advertisement(s) - Fascia Sign					
What is the height from the ground to the base of the advertisement (in metres)? 5.500 m					
What is the maximum projection of the advertisement from face of building (in metres)?					
What are the dimensions of the proposed advertisement? Height: 0.420 x Width: 3.700 x Depth: 0.100 metres
