Dear Sir/Madam,

196 MORTIMER ROAD, SOUTH SHIELDS, NE34 0RP

With reference to the above, I attach plans and site plans for a proposed rear extension to the existing house.

The rear extension will extend 3.05m. from the rear wall of the original house with an eaves height of 2.6 and 2.25m. and a maximum height of 3.6m.

The neighbouring properties are 194 and 198 Mortimer Road, with Mortimer Road School to the rear.

The 'developer' (property owners) are Mr. & Mrs. Amanda Payne, contact tel. [REDACTED]

Mrs. Paynes e-mail address is [REDACTED] but I would be grateful if any information can also be e-mailed to myself as agent for the development.

A Building Regulations application will be submitted, so only a Planning response is needed.

Yours Sincerely,

Gary Craig
