Dear Sir/Madam

**The Town and Country Planning (General Permitted Development) (England) Order 2015**

**Proposal:** Rear extension of the following dimensions:  
(i) Extending 5.375metres beyond the original rear wall  
(ii) A maximum height of 3.700 metres  
(iii) An eaves height of 2.207 metres

**Location:** 7 Natley Avenue, East Boldon, NE36 0LZ

On 04 May 2016 South Tyneside Council as Local Planning Authority determined that **PRIOR APPROVAL OF THE AUTHORITY IS NOT REQUIRED** for the proposed extension beyond the rear wall of the original dwellinghouse.

Please note that the proposed rear extension is only PD (Permitted Development) subject to the following conditions:

- Materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
- The development shall be completed on or before by 30<sup>th</sup> May 2019. The developer shall notify the local planning authority in writing of the completion of the development as soon as reasonably practicable after completion, including:
  - a) the name of the developer;
  - b) the address or location of the development, and
  - c) the date of completion.

The Council's determination that prior approval is not required for this proposal is based on the understanding that the proposal does not exceed the limitations of paragraph A1 of Class A of Part 1 of the Schedule to The Town and Country Planning (General Permitted Development) (England) Order 2015 (which is reproduced on the back of this letter). While the Council has made checks of the information submitted with the notification, this letter is not to be taken to certify that the proposal does not exceed those limitations.

Yours faithfully,

George Mansbridge  
Head of Development Services

**Your attention is drawn to the attached schedule of notes which form part of this notice**

## SCHEDULE 2

### PART 1

#### DEVELOPMENT WITHIN THE CURTILAGE OF A DWELLINGHOUSE
