1:20 SCALE

DOOR TYPE 3 - 2900 x 2325 mm.

WHITBURN HALL - DOOR/WINDOW TYPES 3 *REV. A - 21/22 - 27/5/16*
All windows to be slim-line upvc Mahogany/Rosewood finish externally (generally with a white internal finish), with heavy duty hinges/hardware. Approximate dimensions to be verified on site to ensure that each window is an exact fit to existing opening sizes. Handing of opening sash may vary to match existing, but general window pattern to be maintained throughout the building. All Health and Safety, B.S., and Building Regulations requirements to be met in terms of safety glass, ease of cleaning, and means of escape.
