3. Any non-material change to the approved plan(s) that form part of this permission would require the submission of an application for a non-material change under section 96A of the Town and Country Planning Act 1990. Whether changes to a proposed development are considered non-material is a matter for Planning Authority discretion.

In addition, appropriate signposting of the facilities should be provided. In carrying out these statutory obligations your attention is drawn to the "Code of Practice for Access for the Disabled to Buildings" (BS5810:1979).
