## **NOTES**

- 1 This certificate is issued under the Town and Country Planning Acts, Regulations and Orders and does not constitute a permission, approval or consent by South Tyneside Council for any other purpose whatsoever. Applications must therefore be made to the appropriate Departments of the Council for any other permission, approval or consent (including Building Regulations approval or approval of South Tyneside Council as ground landlord where appropriate) which may be necessary in connection with the proposed development or anything incidental thereto, or the use to be made of the premises which form the subject of such development.
- 2 You may also require permissions, approvals or consents under other legislation, or from bodies other than South Tyneside Council. This could include works affecting a public sewer, gas main, or electricity line, works within the adopted highway, works affecting a public right of way, property covenants, legislation relating to disabled persons, land drainage consent, waste management consent, scheduled monument consent or works affecting protected habitats or species.
- 3 The approved development should be implemented in strict compliance with all of the planning conditions, and in particular any which require details to be approved prior to the commencement of the development. Failure to do so may result in any commencement of development being unauthorised, which could be liable to enforcement action.

## **APPEALS TO THE SECRETARY OF STATE**

### **4 Only the applicant possesses the right of appeal**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

As this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
