Dear Sir/Madam,

Proposed base station installation at:

Cell Ref: VF037995
Address: Existing telecommunications site at Wreigh Street, Hebburn, South Tyneside, NE31 1BJ
NGR: 430804, 564780

Prior Approval Application

This application is submitted under Part 16 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and is in accordance with the Electronic Communications Code (as amended)

This is an application for a determination as to whether the prior approval of the Authority will be required as to the siting and appearance of the development.

Telefónica UK Limited has entered into an agreement with Vodafone Limited pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (CTIL) which is a joint venture company owned by Telefónica UK Limited and Vodafone Limited.

This agreement allows both organisations to:

- Pool their basic network infrastructure, while running two, independent, nationwide networks
- Maximise opportunities to consolidate the number of base stations
- Significantly reduce the environmental impact of network development

As part of a continued network improvement program, there is a specific requirement to provide improved 2G, 3G and 4G coverage to those living, working and travelling within Hebburn. The proposed coverage solution will incorporate the following:

- Removal of:
 - 17.5m high monopole mast
 - 6No. antennas
 - 2No. dish (1No. 300mm; 1No. 600mm)
 - 3No. cabinet (1300x110x1926mm; 1350x700x1300mm; 600x600x1450mm)

W. B. 11/2018

- All ancillary apparatus including 2.5m headframe, all RAL7037 grey
- Installation of:
 - 20m high monopole mast
 - 6No. antennas
 - 2No. dish (1No. 300mm; 1No. 600mm)
 - 2No. cabinets (1300x700x1450mm; 700x840x1800mm)
 - All ancillary apparatus including headframe, GPS module, combiners, remote radio units, fencing, etc.

This application is submitted for and on behalf of CTIL and Vodafone Ltd and comprises:

- A written description of the proposed development
- The address of the proposed development, as defined above and as per the plan indicating its location, i.e. plan 100
- Prescribed fee (paid separately)
- Copy of Developer's Notice, and proof of delivery
- Confirmation as to whether the developer has had to notify the CAA or MOD or aerodrome operator which clarifies whether the proposal lies within 3km of an aerodrome (enclose copy of notice, and proof of delivery as required)
- Contact address and email address for developers

For your further assistance, we enclose the following additional information:

- 1APP Prior Approval form
- Supplemental planning drawings, i.e. plans 200, 201, 300 and 301
- Site Specific Supplementary Information
- General Background Information for Telecommunications Development
- ICNIRP declaration and clarification statement

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016) and is considered to be the most suitable option available, balancing operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

The operators are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any reasonable additional information you may require in relation to this application. Furthermore, we would like to offer to arrange a presentation or meeting with your officers and members to discuss any issues.

You are reminded that the time period specified for a decision on this application is defined in Paragraph A.3.(8) of Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 and nothing in this letter permits, allows or agrees to an extension to that time period.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
