Dear Sir/Madam,

40 PARKSHIEL, SOUTH SHIELDS

With reference to the above, I attach plans for a single storey rear conservatory extension to the existing house.

The rear extension will extend a maximum of 4.5m. from the rear wall of the original house with an eaves height of 2.6 m. and a maximum height of 3.7m.

The neighbouring properties are 39 and 41 Parkshiel. Due to the shared courtyard to the rear, 42 and 43 Parkshiel could also be regarded as neighbouring properties

The 'developer' (property owner) is Mr. Paul Donaldson. He is currently in Australia (until November 5th) so he cannot be contacted by phone

Mr. Donaldson's email address is , but I would be grateful if any information can also be e-mailed to myself as agent for the development.

Yours Sincerely,

Gary Craig
