Afternoon Christina,

Following consultation with Leisure Services they have made comment as follows;

Football Changing Rooms

The original football changing facility located within Phase 1 Wet Side Pool Building at Temple Park LC has not been used since this closed following the opening the Haven Point facility five years ago.

Leisure Services have allocated a football home and away changing room within the Phase 2 Dry Side Sports Building at Temple Park LC as marked in pink on the attached plans. This is currently coping with football changing demand.

If demand were to increase Leisure Services can bring into use an additional home and away changing room as marked in green on the attached plans.

Thank you,
Ian Seales
