16th October 2018

For the Attention Of Mrs Sheila Fada – 168 Harton House Road, South Shields, Tyne and Wear

Reference proposed extension at 170 Harton House Road, South Shields, Tyne and Wear NE34 6EA

Dear Sheila

Further to recent discussions, Jean and I have applied for Planning Permission to do some works to our house

We propose to extend the front as you have and keep the extensions in line to make them look uniform, this means joining onto yours and also extending the roof so it continues all the way across, as shown on the plan highlighted attached,

As this involves a small amount of work on your property we have to notify you in writing.

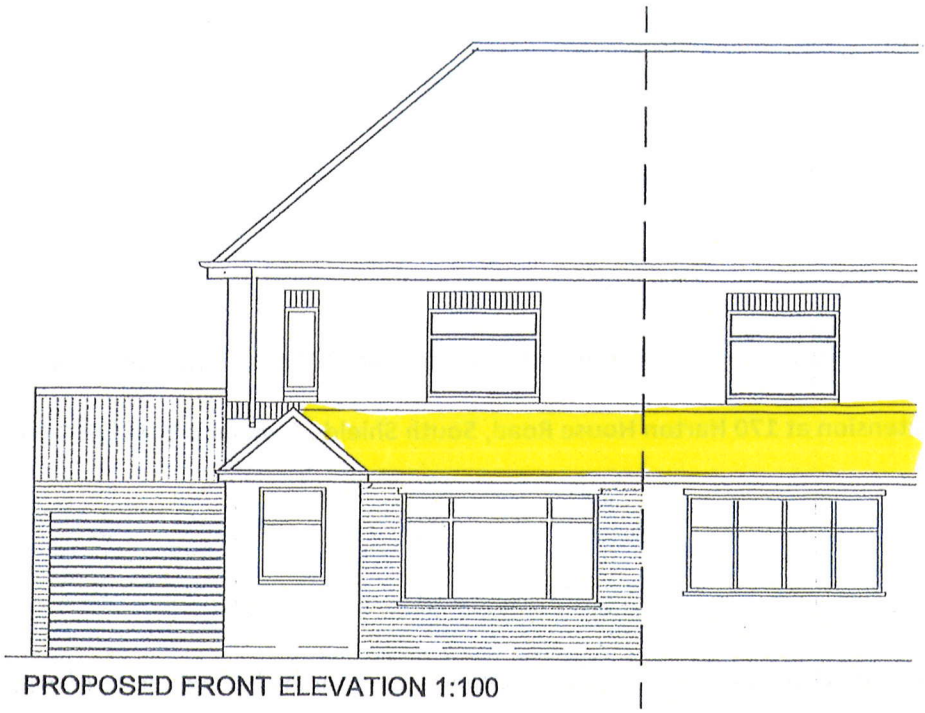

I would also like to point out that there will be no cost whatsoever to yourself and your property will remain secure and watertight at all times.

Yours Sincerely

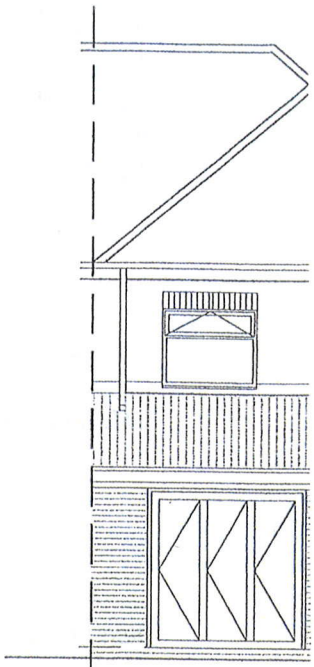

Kevin Patrick

and

Jean Jordan

PROPOSED FRONT ELEVATION 1:100
