Subject: RE: Planning application Ref: ST/0995/20/FUL - St Wilfrid's RC College, Temple Park Road, South Shields - Cycle Provision [NOT PROTECTIVELY MARKED]

Hi David

It is proposed that the cycle provision for St Wilfrid's will comprise of Sheffield Style Cycle Stands to accommodate a minimum of 13 bicycles, please see image below.

The stands are likely to be stainless steel as show.

I trust the above is sufficient. I have also forwarded your Pre-commencement conditions to the rest of the Design Team for their comments and so will send confirmation back to you once I have received this.

Kind regards

Chris
