- Pitched roofs of natural slate tiles (grey in colour);
- Aluminium window frames (slate grey or similar in colour);

5. Condition(s) - Removal/Variation

Please state why you wish the condition(s) to be removed or changed

We wish to make minor amendments to some materials and include an overhang on the porch.

Both the windows and the porch changes are an attempt to make the house more 'cottage-like' in appearance, as described in the original application, whilst not making fundamental 'major' amendments.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Condition 3 relates to Porch, Render and Aluminium windows, which I would like to make minor amendments to, within this application.

New Request:
- Front porch to extended by 1m with overhang roof (see drawings attached)
- Front porch to be covered in the slit brick (which was previously only covering the lower section of the porch) to now cover all porch, removing the need for white render.
- Front Elevation Windows to be uPVC sliding sash windows, instead of aluminium, but to remain the same colour (see drawings)
- Side windows to be uPVC instead of aluminium, but to remain opaque and same colour (see drawings)
- Window sills are to be natural stone in colour, opposed to the 'slate grey' named on the original planning drawings, this was a typo, which is now corrected (see drawings)
