Replacement Stones, Cill and two Lintel Heads - 84 Green's Place, NE33 2AQ

Front Elevation and End Elevation - 3 x replacement stones in locally sourced buff colour sandstone to match original (see photo of front of 83,84, and 85, circa 1910).

We are advised by the Stonemason that these should not be painted so to avoid the damage that caused them to be repaired several times before ultimately requiring replacement.

Top Lintel - Head 1 - 1440 length x 120 bed x 300 height, tooled to match pre-existing stone, positioned flush with eternal wall

Top window - Cill 1 - 1410mm length x 170mm bed x 200mm height, tooled to match pre-existing stone, positioned with external edge 20mm - 40mm proud of external wall

Middle window - Head 2 - 1440mm long x 120mm bed x 270mm height, tooled to match pre-existing stone, positioned flush with eternal wall
