Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right

Would the proposed change of use result in the building containing more than two flats?

◯ Yes
⊘ No

Would a part of the building continue to be:
• In a commercial/business/service use; and/or
• Used as a betting office and/or a pay day loan shop

⊘ Yes
◯ No

Would the proposed flat(s) only be situated on floor(s) above a floor where at least some of the other proposed mixed uses are to be provided?

⊘ Yes
◯ No

If the building has a ground floor display window, would any of that ground floor be used as a flat?

◯ Yes
⊘ No / The building does not have a ground floor display window

Will all the proposed flats have gross internal floor areas of at least 37 square metres, and comply with the nationally described space standard?

⊘ Yes
◯ No

Following the change of use, will each flat only be used as a dwelling:
• By a single person or by people living together as a family; or
• By not more than 6 residents living together as a single household (including a household where care is provided for residents)

⊘ Yes
◯ No

Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of the flat(s) and other works proposed

The proposal is to use the basement as a commercial showroom for bathroom equipment. The ground floor and first floor will become a dwelling.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Existing windows will be utilised.

What will be the net increase in dwellinghouses?

1

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Please provide details of any arrangements required for the storage and management of domestic waste

Rear yard will be used for waste storage

Impacts and risks

Please provide details of any contamination risks and how these will be mitigated

n/a

Please provide details of any flooding risks and how these will be mitigated.

n/a

A flood risk assessment should accompany the application where the site:
• is in Flood Zones 2 or 3; or
• is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).
Check if your site location is in Flood Zone 2 or 3 online
Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated
