To Whom It May Concern

Re: Unit 1 Station Approach, East Boldon, NE36 0AB

I am writing to provide information about the previous trade conducted at the above address by my company Watson Tool Hire. During our 11 year tenure at Unit 1 Station Approach, our primary business activities predominantly revolved around tool hire, equipment sales and repair services. The majority of our sales were to the general public from, within the local community.

Many thanks

Sincerely
