Summary of Consultation Responses

No consultees required.

Summary of Representations

No responses received.

Relevant planning policy

The following policies are relevant to this application:

Local Development Framework

- LDF Policy DM1 - Management of Development
- Core Strategy: EA3 - Biodiversity and Geodiversity

South Tyneside Local Plan – Emerging Policy

- LP Policy SP1 - Presumption in favour of Sustainable Development
- LP Policy 1 - Promoting healthy communities
- Policy SP 21 - Natural Environment
- LP Policy 47 - Design Principles

The following SPDs are relevant for this application:

- Supplementary Planning Document 9 – Householder Development

Assessment

A Regulation 19 version of the South Tyneside Local Plan was recently subject to consultation from 15/01/2024 to 03/03/2024 and this marked the second of two statutory consultation periods in the plan-making process. While the draft Local Plan is now at a more advanced stage of preparation, with the Regulation 19 consultation completed, the extent to which there are unresolved objections to particular policies is currently being assessed and therefore only very limited weight can be afforded to policies in the emerging local plan at the current time having regard to paragraph 48 of the NPPF. As such, any relevant emerging local plan policies that were listed earlier in this report are not appraised in detail in the assessment set out below.

The proposal is for a single storey rear extension. The original property is a new build dwelling situated within the built-up area of South Shields, and the proposed rear extension would be flat roof with a roof lantern. Whilst the design of the flat roof extension does not reflect the form of the original building, it would not be visible from the streetscene and therefore would not result in an unacceptable visual impact. Furthermore, the materials proposed are for facing brick to match the existing building as closely as possible, with black frames to the openings.

LDF Policy DM1 seeks to preserve the visual amenity of the area (limb A) and the residential amenity of neighbouring properties (limb B), whilst Supplementary Planning Document 9 provides guidance for householder developments. Having regard to the design, scale, massing and relationship with neighbouring properties of the proposed development, it is considered that it would not give rise to significant harm to the visual amenity of the area or the residential amenity of any neighbouring properties.

Conclusion

In conclusion, and having regard for all of the above, it is considered that the proposal would have an acceptable impact upon the residential and visual amenity of the area. It is considered that the proposal complies with all relevant local and national planning policy and the application is therefore recommended for approval.

Recommendation

Grant Permission Householder with Conditions

Conditions

- 1 The development to which this permission relates must be commenced not later than 3 years from the date of this permission.

As required by Section 91 of the Town and Country Planning Act 1990 and to ensure that the development is carried out within a reasonable time.

- 2 The development shall be carried out in accordance with the approved plan(s) as detailed below

Drg No 0779/2877/269– Proposed Side Elevations and Proposed Floor Plans, received 15.04.2024

Drg no. 1 – Proposed Rear Elevation and Section, received 15.04.2024

Proposed Site / Roof Plan, received 15.04.2024

Any minor material changes to the approved plans will require a formal planning application under S73 of the Town and Country Planning Act 1990 to vary this condition and substitute alternative plans.

In order to provide a procedure to seek approval of proposed minor material change which is not substantially different from that which has been approved.

- 3 The external materials for the extension hereby permitted shall be those as stated on the Drawing titled Proposed Rear Elevation and Section, received 15.04.2024

To ensure a satisfactory standard of development and in the interests of visual amenity in accordance with South Tyneside LDF Development Management Policy DM1.
