Excellent product

Purchased this based on the pictures which looked very practical as a family bike shed , arrived and at first the amount of pieces once unboxed looked daunting.
Once I got into the assembly everything was marked up correctly and fitted together correctly , nothing was missing and extra screws and caps was also included
It's been up a few weeks now and no rain issues completely water tight very happy overall and a great price. Very easy to take bikes in and out and safely locked up overnight.
