Elite Twin Cam Espagnolette

A high security espagnolette system using twin cam operation with PAS 24 and SBD accreditation which reinforce the performance and quality of this range. Suitable for use with most PVC, timber or aluminium windows with eurogroove.

- ✓ For ease of fabrication there is **one Universal routing detail** across all Elite casement products.
- ✓ Security cams to provide extra security.
- ✓ Easy adjustment of cams to achieve perfect weather seal.
- ✓ Elite Silbear Surface Protection exceeding **480 hours salt spray exposure** (EN1675 Grade 5).
- ✓ High security level with SBD accreditation.
- ✓ BSI approved.
