

16 St Bedes
East Boldon
NE36 0LE

4/4/25

Ref: TPO 395 (2023)

Dear Sir/Madam,

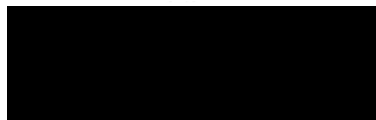

I understand that the sycamore tree on property 15 St Bedes, East Boldon, has now been granted permission to be removed.

As the owner of the adjoining property, also with a large sycamore tree in the front garden close to the house, I am seeking permission to have the upper branches that are closest to my property reduced. Currently the branches are extremely close to the attic windows and roof and in winds touch the windows and roof. The tree is also way above the height of our 3 storey house.

Whilst the tree at no 15 is being removed the overhead electricity cables which run through the branches of both trees will be affected and it would be an ideal time to have the tree maintenance work as the mains electricity will need to be disconnected for the work to be done at no 15.

It would also be ideal for the same tree surgeons to carry out the work on the tree at no 16 should permission be granted.

Your faithfully
