Removal of section of internal stud wall to enable 2 self contained flats to be amalgamated into 1 single dwelling house.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- [ ] Yes

Has the proposal been started?

- [ ] Yes
- [x] No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The Town and Country Planning act sets out that where development does not result in a change in the use class of the property, that planning permission is not required. The use class would remain as C3 (dwelling houses) and the internal works which are de minmis do not require planning permission.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

https://www.legislation.gov.uk/ukpga/1990/8/contents

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- [x] Permanent
- [ ] Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Because there is no change in the use class and all works are internal and de minimis

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- [x] Yes
- [ ] No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- [ ] The agent
- [ ] The applicant
- [x] Other person

If Other has been selected, please provide contact details:

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Please state the applicant's interest in the land

⊘ Owner
