Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The plans have been altered for two main reasons. The original design was based upon constructing the extension using a timber frame construction, however this has now been changed to a traditional brick & block cavity wall construction. There has also been an alteration to the roof design so that the eaves height of the extension matches the eaves of the original dwelling. This was to prevent areas of sloped ceilings within the extension which reduced the amount of useful headroom within the extension, notably within the ensuite to the rear.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The condition should be changed to include the new drawing reference numbers and titles.
