

The floor plan shows a central staircase with four steps leading up. To the left of the stairs is a large Lounge. To the right of the stairs is a Dining room. Above the Lounge is a Conservatory. Below the Dining room is a Kitchen. To the right of the Kitchen is a Study. A bathroom is located between the Dining room and the Kitchen. The plan includes various doorways, windows, and a fireplace in the Lounge.

The floor plan shows a central staircase with a landing. To the left is a large Lounge area. Below the lounge is a Dining room. To the right of the lounge is a Sun lounge. Below the sun lounge is a Kitchen. To the right of the kitchen is a Study. A toilet is located between the dining room and the kitchen. An Aco drain is located in the sun lounge. The plan also shows various doorways, windows, and built-in features like a fireplace in the lounge and a bay window in the study.
