Summary of Consultation Responses

Tree Team
I have reviewed the subject section 211 notice. While the removal of the conifer hedge has triggered a notice, it would not be expedient to make a TPO to protect the hedge.

I would suggest allowing the works to proceed without making a TPO.

Assessment
After receiving the comments from the Council's Tree Officer and considering national guidance, the local authority does not believe the proposed works to the trees would justify their protection with a TPO. The proposed works would not have a significant detrimental impact on the character and appearance of the Conservation Area and the works would be acceptable, in accordance with LDF Policies DM1 and DM6.

Recommendation
Raise No Objection
