

Over The Rainbow Pet Crematorium, Unit 6 St Hildas Ind Est, South Shields, NE33 1RA

NPPF Heritage Statement For St Hilda's Pit Head, South Shields.

This Heritage Statement supports a planning application that includes for the installation of one extraction flues at Unit 6 St Hildas Industrial Estate, South Shields.

The Proposal is to install one external flue through the roof of Unit 6 St Hildas Ind Est. Unit 6 is set away from St Hilda's Pit Head however the proposed Planning application does will not hinder Pit Head in any way, the proposed application does not have any external changes to the front or rear of the building and the only proposed change is a flue via the roof.

Within St Hildas Industrial estate there is External flu's through the roofs for ventilation.
