Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☐ An existing use
- ☒ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

South Tyneside Council ('the Council') granted hybrid planning permission for the above development on 29 August 2023 (App Ref. ST/1172/21/FUL). Condition 1 attached to the outline planning permission (App Ref. ST/1172/21/FUL) stipulates that the development which benefits from full planning permission must be begun not later than three years beginning with the date on which permission is granted. We therefore write to confirm that a material operation as defined under Section 56(4) of the Town and Country Planning Act 1990 (as amended) has commenced on site with regard to the full planning permission within three years of 29 August 2023, thus implementing the planning permission. The works undertaken on site include undertaking of works pursuant to the dualling of the A1290.
